The First All-School Dance

The dance held Friday, February 7th, was a tremendous success. Everyone seemed to be having a real good time. Even Mr. Brill was there. The teachers danced fast and the Bunny Hop was led by Mrs. Baker.

The Purple Haze played exceptionally well. Both fast dances and slow dances seemed ot be thoroughly enjoyed.

A special thanks goes to the people on refreshments, to Mrs. Howard who organized the dance, to Mr. Brill, and to all of the people who came.

Interview with Mr. Kannegieter

The question the roving reporter, Carl Lamb, asked of Mr. Kannegieter was " Do you know a way so that kids don't get into other peoples' lockers and steal their equipment?"

Mr. Kannegieter replied" Everyone should be sure his lock is locked when he leaves. It is the policy now that any misbehavior of any kind in the shower room will result in a misconduct.

LETTERS TO THE EDITOR:

To the Editor,

I think that girls should have the same rights as boys. We girls aren't allowed to cheerlead for the basketball games.

I think that if we had a basketball team in the school (IF), the boys would get to cheerlead for us. Some boys do. Boys aren't better than girls. The only sports we can have at the school, is gym and we only have that for one semester. The boys get one semester of gym plus they get basketball and track.

Denise Albar

Dear Editor,

Some people leave their band instruments in the strangest places in the auditorium. For example: instruments in the dorway and jammed crossways in aisles are a great safety hazard.(I should know.)It would be nice if these people would't set an obstacle course for other people. It would be appreciated if band instruments were put in safer places.

Linda Krajewski

Dear Editor,

I have an opinion I'de like to air. It concerns the taking of gym clothes out of the gym lockers. I'm not sure how they're doing it, but they are. Something has to be done. Why are they doing it? Maybe they don't like people they do it to? Maybe they do it for fun, but that is some sense of fun. I can think of better things we could do. Anyway, this has to be stopped.

8th Grade A Team goes 6-6

This year the 8th grade A team had an impressive record of 6 wins, 6 losses. It wasn't an easy year. They lost three in a row before picking up the pace. They came back with a great team victory against No. Christian. They dropped a game to Vicksburg, then won three straight. The rest of the season was loss, win, loss, win. After two great victories for the A and B teams, they were a little rowdy on the bus.

Marty Galbraith was voted rookie of the year with a total of 31 pts, and great rebounding. John Ghastin was voted Most Valuable Player with 227 pts. Chris Weeks was second highest scorer with 80 pts. and great pass-receiving to score lay-ups. John Taylor, with 72 pts., took third. Andy Mears had 39 pts., Gordy Myers, 38, Mike Walters scored 27 pts., and was a great hustler on the courts. Monty Cudd, an early B team success, joined the A's as he scored 32 pts.

B Team Of Eighth Grade Finishes 9-3

The B team could hardly loose this year with great comeback wins with seconds to go.

The B's were sparked by such players as Dave Cusamano, Jeff Nugteren, Duck Adams, Ken Gladysz, Ozell Gothard, and great rebounds by Brad Rhodes. A great season for both teams! All together the 8th grade Redskins had a 15 to 9 season.
